

9-1-1

You Can Use a
Cellphone!

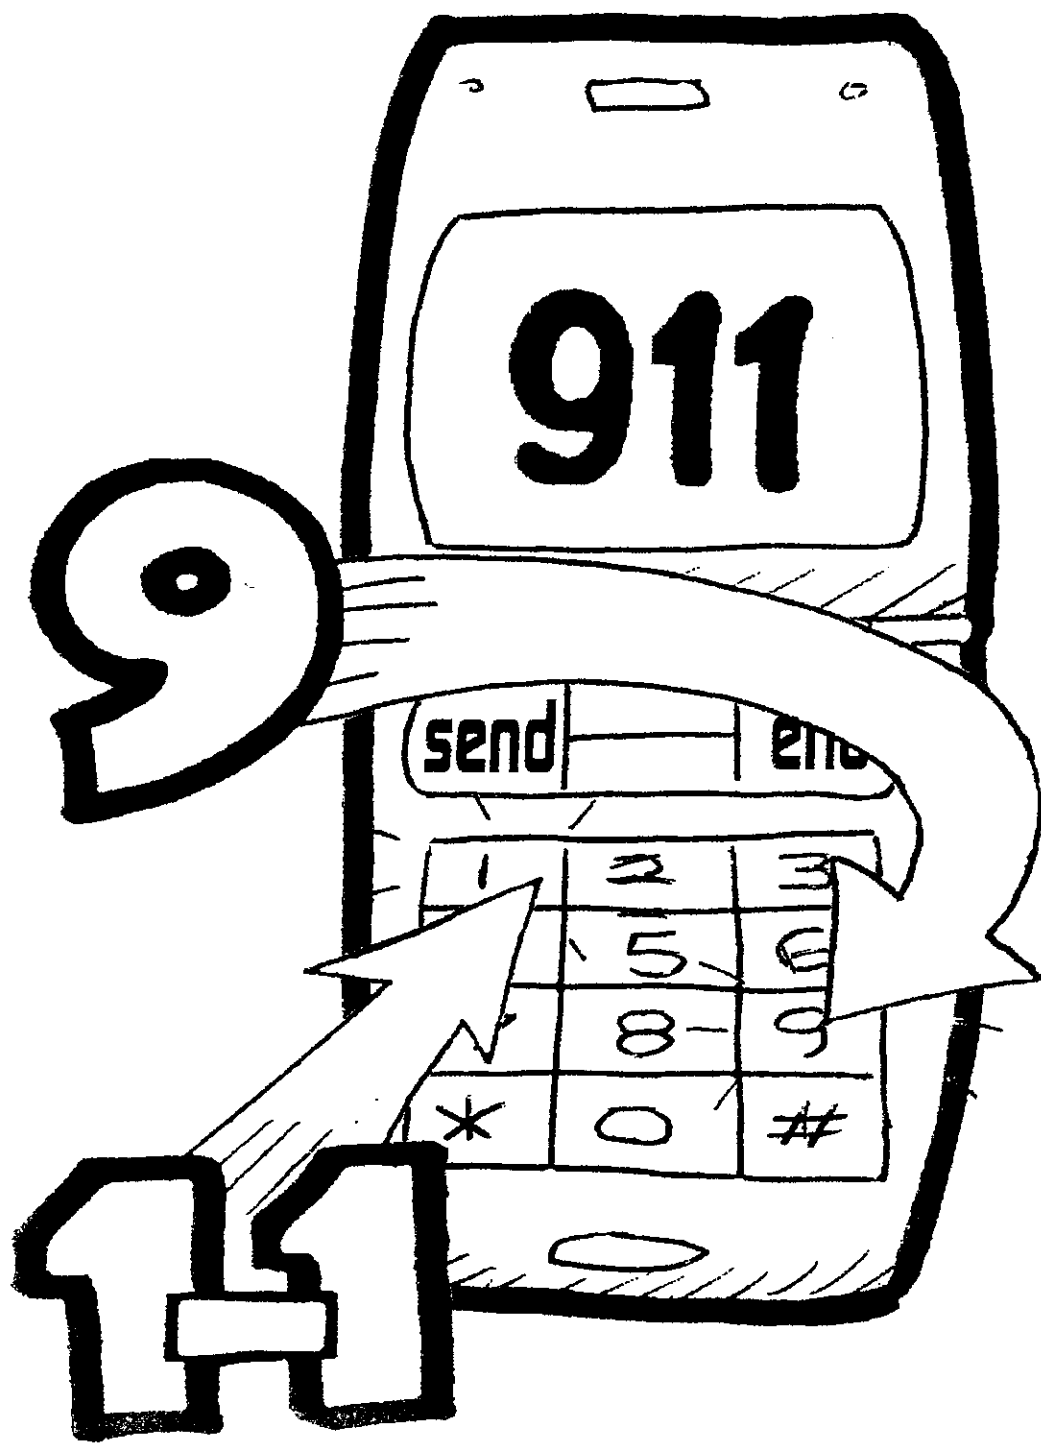

A cell phone is cool, it is so
much fun, But did you know you can
call 9-1-1?

Make sure the phone power is on- that's a must, The rest is quite easy- you I can trust.

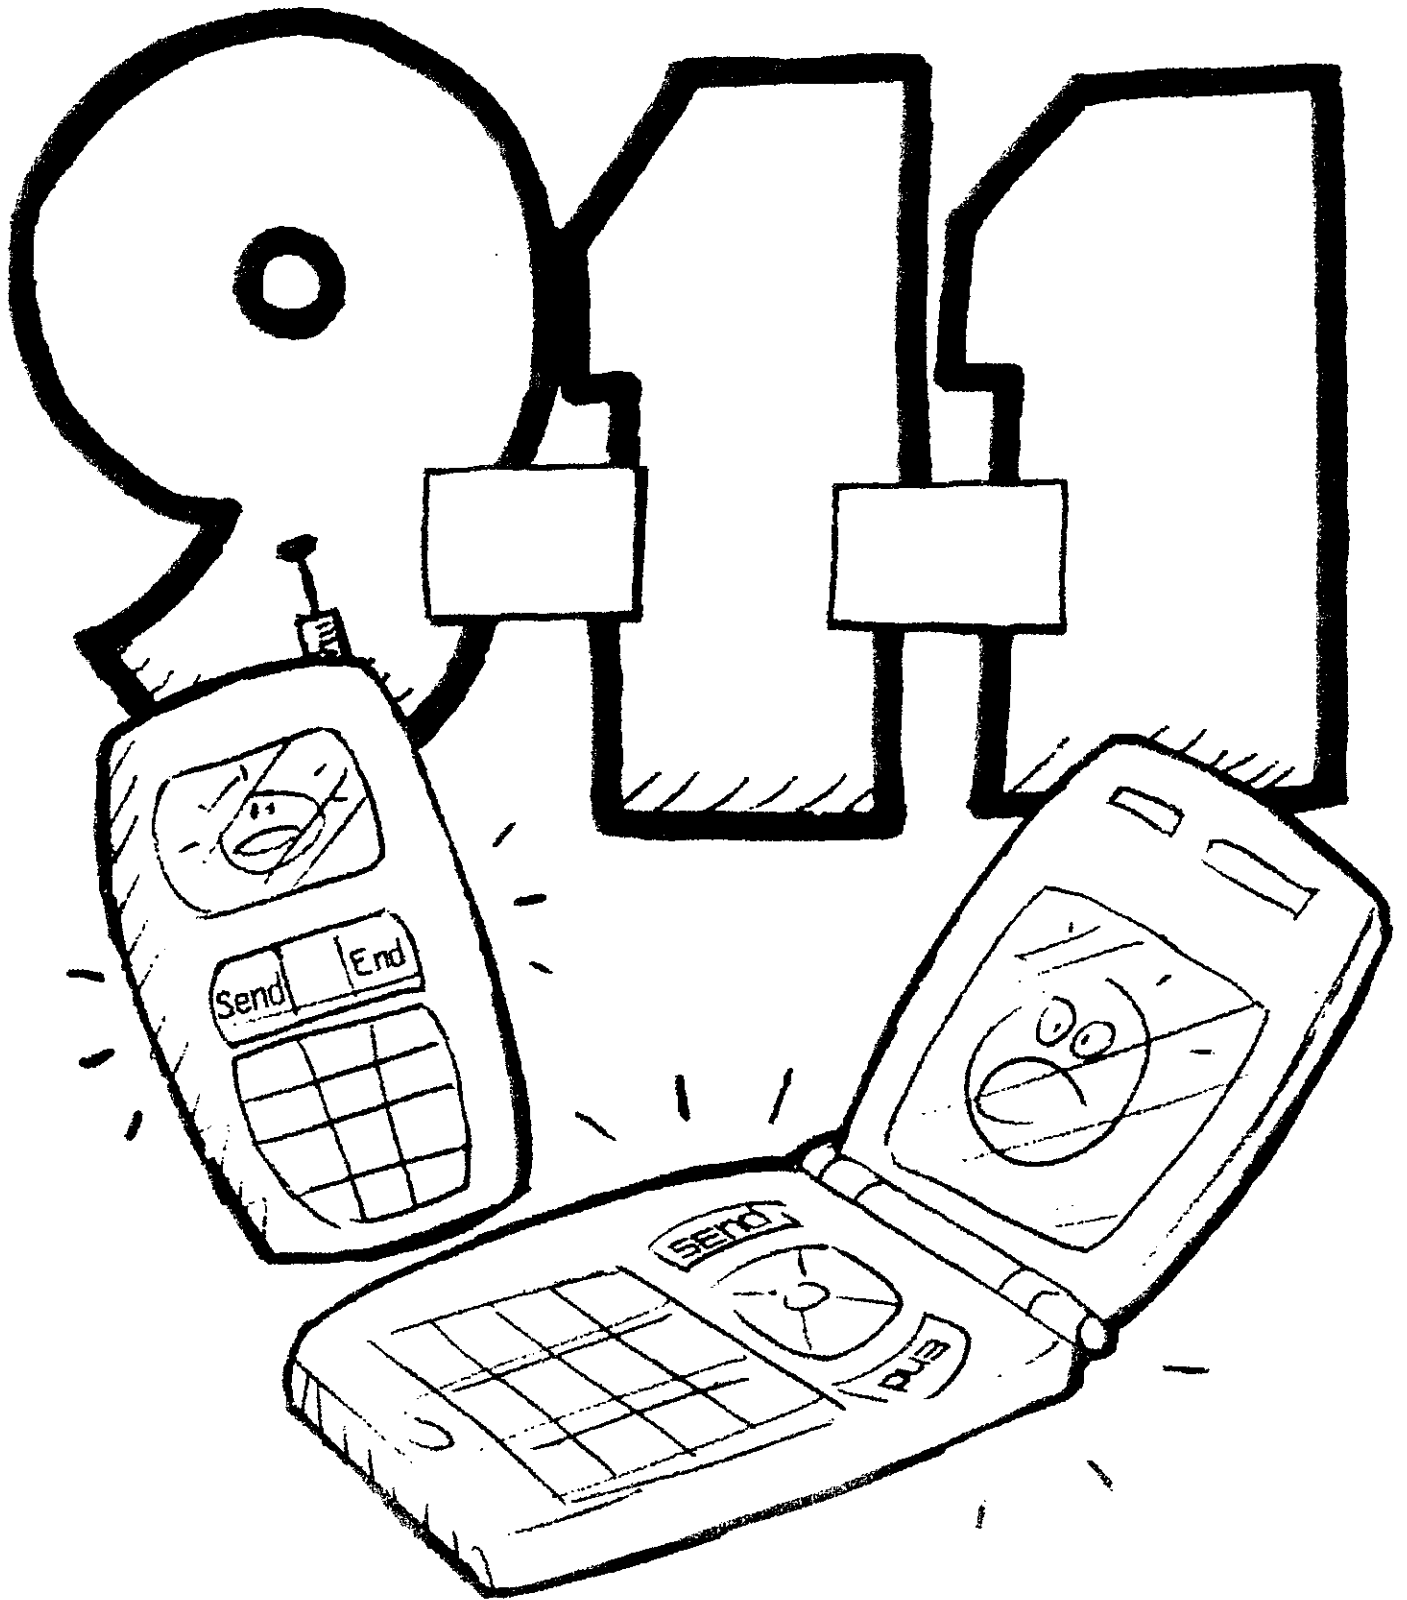

Just press the buttons 9-1-1,
But wait; your job is still not done.

send!

There is one more thing before you end,
You have to press a button to SEND.

So the fire, medical and police are
your friend, Just remember on your
cellphone call 9-1-1-Send!
